

RECOMMENDATIONS FOR MARTY MARTINOSKY

STUDENT ATHLETES

Marty Martinosky Jr, is more than just a man. The kids he has mentored, coached, and lead to Christ including me, see him as a role model. The people's lives he has touched, see him as a selfless, helpful, generous gentleman. He goes out of his way no matter what to help those in need. Mr. Martinosky, is easily the kindest guy anyone will ever meet. He is so nice, polite, friendly and welcoming. No matter the situation, Marty always has the spirit and desire to look at something from a positive perspective; glass is always half full attitude. He is self-determined and viewed as a leader by his peers. To kids, he is someone they can come talk to for advice or any kind of help. For me, he is almost like a father to me. He treats all kids & people, with the utmost respect. He is an endless novel of knowledge. Like I said in the beginning, he is more than just a man. He's a role model, leader, sage of wisdom, and one, if not the most positive and inspirational people you'll ever meet in your life.

Marty Martinosky is a man I have worked with for a few years now. Throughout those years, he has been someone I consider to be more of a father to me than my own. He is a man of strong, deep faith, and he shares his faith with the world every day by his actions, his speech, the way he carries himself, and through his social media presence. He is a Godly man who has a real and true heart for God. Marty has more character than anyone I have ever worked with, and is definitely the most encouraging, supportive person I know. He actually listens when someone is speaking, and he is there to lend advice to anyone he encounters. Marty is very outgoing and always looking to make more friends and bring people closer to God in the process. He is an encourager of faith to all. Marty is a tremendous outlet and role model to the youth in this area. His work to create a better Christian platform for youth is extremely commendable. He has a heart for getting youth to have a heart for God. I truly believe that is his goal every day. Not only is he talented and gifted in working with youth, but he is passionate about it. I am not sure I have ever met someone so passionate about infusing passion for Jesus into young people. And that is saying a lot because I work for a church. Marty is an extremely commendable, well-rounded man of God whom I would recommend to any position as long as it is God's will for him. I speak all of this will only the utmost of honesty and respect and hold Mr. Martinosky to the highest of regards.

Character: Marty is faithful, reliable, and has a dedication to personal purity and honesty.

Passion: Marty is passionate for discipling others to a closer walk with Jesus Christ. Marty is especially effective in sports ministry and the discipleship of younger people

I have had the pleasure of knowing Marty for quite a few years. Marty has served for quite a few years as a member of our Jumonville Foundation Board of Trustees. Marty's interest in the ministry at Jumonville precedes his involvement with our Jumonville Foundation Board. As a part of Marty's work on the Jumonville Foundation, he has assisted me in our annual Jumonville Golf Fundraiser which raises money for Jumonville's Kidz2Kamp Program. Kidz2Kamp is Jumonville's scholarship program which helps campers and guests experience programs at Jumonville through financial assistance. Marty has a real passion for sports ministry and I have recently been helping to advise him with the start of a new 501(c)3 ministry called Game Changer. I have great respect for Marty as a friend and mentor. I know that his heart for ministry is done with a great spirit of integrity. Marty has always had a passion for working with youth and is very compassionate. Once you meet Marty, you will see that he is a man of highest Christian character with a heart for people and growing disciples for Christ.

COACHES

I have known Marty for almost 15 years, beginning in my middle and high school years. He was a great influence in those formative years of my life. There are many things that stand out to me about Marty: his passion for teaching students, his genuine care for their well-being, and his devotion to help develop them into the leaders of tomorrow. Any organization that has him on their team is no doubt blessed.

I am writing on behalf of Marty Martinosky. Over the past 3 years, I have had the opportunity to get to know, share and work with Marty. His heart is passionate about growing the character of the student-athlete and coaches. Marty has the ability to see the need of a team or an individual.

Marty connects with the teams and the individual with a “meet you where you are” attitude. Then he presents a message of character development that provides a path to “where you need to be”. This process has moved teams and athletes to the next level. Not all next levels are measured by wins and losses on the field. The next level, Marty is looking to get to, is the improving the wins and losses record in each athletes’ life.

As a coach, a leader of athletes and a speaker, I recommend Marty Martinosky. He provides a well-grounded message that is needed in the athletic platform. His message is evident in his presentations and his social media presence.

I am writing this letter to endorse Marty Martinosky in his endeavors for Game Changer Sports Ministry. I have known Marty now for over ten years and have watched him work with Greater Latrobe students in many capacities. The one capacity that stands out is his ministries with our young athletes. He has spent countless hours meeting with them and working with them on important values off the playing fields as well as the values on. My own children participated in Marty's organizations so I can speak first hand of true experiences. I fully endorse Marty for any status in your organization.
