

RECOMMENDATIONS FOR MARTY MARTINOSKY

STUDENT ATHLETES

I am beyond blessed to have the pleasure to know Marty Martinosky, and work with him over my last 3 years. Marty brought Game Changers Sports Ministry to Connellsville High School, where I, and many others were given the opportunity to work with him. We created TEAM FALCONS, which was the name of our faith-based athlete club. The club was very successful. We would meet every week whether after school, or before school some mornings. Marty went out of his way, and attended many meetings to help us share and discuss our Savior. Overall, Game Changer Sports Ministry came into my life when I needed it most, and helped me strengthen my relationship with God. I cannot thank Mr. Martinosky enough.

I wish Game Changer would've been a thing before my senior year of high school but I'm so very glad that I had a chance to experience it. TEAM Rams has been an exciting part of my senior year, the entire process has been enjoyable. Starting out with help from people higher up with experience is very helpful when starting a club and the Game Changers organization does that very well. They were there with us through the entire process. I could see the excitement of their ministry throughout the Game Changer organization. That same excitement for TEAM Rams flowed through student leaders and members making our club one of the largest at school. Our meetings always brought a crowd of regulars and many other interested students. The training, support and resources this program has is amazing. Messages can mean more to students when it's not just another peer talking to them, when it's backed up by someone they know well. Their website provides lessons that have had an impact at our school.

I would highly recommend Game changer Sports Ministry who assisted us in building TEAM W&J. Seeing the effect of it first hand on my campus was a light and day difference. Student athletes come together forming close bounds that resulted in us spending most of our free time together. We grew in Christ with many accepting Him for the first time.

Cameron Wormack – TEAM W&J Captain, W&J defensive lineman, now seminary student

CLERGY

I would like to make a personal recommendation of Marty Martinosky to be considered for gospel ministry based on the following observations:

Character: Marty is faithful, reliable, and has a dedication to personal purity and honesty.

Passion: Marty is passionate for discipling others to a closer walk with Jesus Christ. Marty is especially effective in sports ministry and the discipleship of younger people

Dedication: Marty affirms that salvation is found only in the name of Jesus and also affirms the inerrancy of the authoritative Scriptures; the Bible.

Kevin Truman – Former Team Chaplain Pittsburgh Riverhounds

It is with great joy and enthusiasm that I write this letter of recommendation for Mr. Marty Martinosky. I have known Marty for seven years and he quickly made an impression on me with his spiritual giftedness, personal commitment to Christ, and deep longing to help others in their spiritual development, especially teens. Marty and his family have been valued members of my congregation and I have worked closely with him in many different ministry settings. I have always found him to be a person of high moral character and a person with utmost integrity. If you would like to speak to me in person I can be reached at (724) 674-0759.

Pastor David J. Henderson – Lead Pastor New Life Church, Indiana, PA

I have had the pleasure of knowing Marty for quite a few years. Marty has served for quite a few years as a member of our Jumonville Foundation Board of Trustees. Marty's interest in the ministry at Jumonville precedes his involvement with our Jumonville Foundation Board. As a part of Marty's work on the Jumonville Foundation, he has assisted me in our annual Jumonville Golf Fundraiser which raises money for Jumonville's Kidz2Kamp Program. Kidz2Kamp is Jumonville's scholarship program which helps campers and guests experience programs at Jumonville through financial assistance. Marty has a real passion for sports ministry and I have recently been helping to advise him with the start of a new 501(c)3 ministry called Game Changer. I have great respect for Marty as a friend and mentor. I know that his heart for ministry is done with a great spirit of integrity. Marty has always had a passion for working with youth and is very compassionate. Once you meet Marty, you will see that he is a man of highest Christian character with a heart for people and growing disciples for Christ.
